June 24-June 28 or July 1-July 5

BEGINNER'S COURSE

The course is intended for beginners. The course will give you basics in the Vadstena bobbin lace making technique. A competent instructor will give you the necessary guidance so you can develop your own skills which will enable you to continue lace making on your own after the course. It is possible to borrow a lace pillow during the course.

CONTINUATION COURSE

The course is intended for those who have completed the beginner's course and want to continue, or those who have made a break for a couple of years and will start bobbin lace making again. You work at your own level. The course will give you basics in the Vadstena bobbin lace making technique. A competent instructor will give you the necessary guidance so you can develop your own skills which will enable you to continue lace making on your own after the course.

June 24-June 28

THE TECHNIQUE OF VADSTENA BOBBIN LACE MAKING

This course studies the different stiches and grounds used in Vadstena bobbin lace.

WITH CROSSES AND TWISTS THROUGH EUROPE

In this course we study the different types of bobbin lace in Europe and make some samples.

DALACARLIA LACE

The lacemaking in the province of Dalacarla is very different from the traditional Vadstena technique. This course teaches the basics of Dalacarla lace.
